POSITION : **IT PROGRAMMER**

DATE OF APPOINTMENT : **2nd Jan 2021**

Hassan has excelled in this role, exhibiting one of the highest levels of productivity I have seen in an assistant during my 6-year tenure with the company. Hassan produces a high volume of work while consistently maintaining high standards for quality and accuracy.

Hassan possesses the ultimate "can do" attitude while taking on all tasks with a positive energy and a smile. His upbeat personality and engaging personal style enable her to interact effectively with clients and staff. He is very well organized and keeps track of the details necessary to coordinate events of this kind and run an efficient office. Proactive in anticipating rising administrative needs, he takes initiative to go beyond the expected parameters of his job.

I volunteered to write this recommendation for Hassan because I am very grateful for his contributions to our office and very confident that he has the intelligence, work ethic, and communications skills to add value wherever he works. Please feel free to contact me if you have any questions about these outstanding young men.

Yours faithfully,
